

For our headquarters in Krailling near Munich and Berlin, we are looking for you as:

## **Electrical/ Mechanical Assembly Worker** – m/w/d

As a leader in laser micromaterial processing, Photonics Systems Group is your gateway to an exciting future. We develop precise laser solutions for the photovoltaic, electronics, and semiconductor industries.

### **Your Tasks:**

- Mechanical and pneumatic assembly of laser systems, assemblies, and components, or
- Electrical assembly of laser systems, control cabinets, assemblies, and components
- Troubleshooting and repairs of components and modules
- Supervision/training of external assembly service providers and contract manufacturers
- Support in commissioning our special machines

### **Your Profile:**

- Completed vocational training in a technical field (mechanical or electrical)
- Experience in industrial special machine construction or automation technology is advantageous
- Comprehensive technical understanding of complex relationships
- Teamwork, flexibility, and resilience
- Independent, responsible work
- Good German language skills in speech and writing

### **Why us?**

We offer you a role with diverse, responsible, and exciting challenges at a growing medium-sized technology leader. Our machines and their applications contribute to sustainability and actively support the rapid implementation of the energy transition, and are continuously further developed, also in collaboration with our long-standing and international customers. With us, you will find a working environment where competence, experience, innovation, and high quality standards are paired with fun, modern work tools, flat hierarchies with room for your own ideas, and a workplace in green surroundings, easily accessible by car, bicycle, or public transport. A personal contact person and a friendly team will support you during the training period and beyond.

### **Our Benefits:**

- Flexible working hours, no shift work
- 30 days of vacation, additional special leave for certain occasions
- Team events and company celebrations (summer party, Oktoberfest visit, Christmas party, etc.)
- Childcare subsidy, fuel voucher, and free e-charging stations, employee discounts
- Free parking
- And of course, free water, coffee, and fruit

**We're growing and seeking many new energetic employees!"**

We would like to get to know you and look forward to receiving your meaningful application, including your earliest possible start date and salary expectations, via email: [karriere@ps-group.net](mailto:karriere@ps-group.net).

**DREAM  
BIG.**
